POLICE MANAGEMENT UNIT SUCCESSOR MOU
TERM: JULY 1, 2012-JUNE 30, 2013

SECTION 2. ASSOCIATION SECURITY

2.1 Dues Deduction

(a) General. The Association may have the regular dues of its members within the representation unit deducted from employees' paychecks under procedures prescribed by the City for such deductions. The Association has the exclusive privilege of dues deduction for its members.

Payroll deductions shall be for a specified amount and consistent for all employee members of the Association and shall not include fines, fees and/or assessments.

Authorization, cancellation or modification of payroll deduction shall be made upon forms provided or approved by the City. The payroll deduction authorized shall remain in effect until canceled or modified by the employee by written notice to the City or until the first day of the calendar month following the transfer of the employee to a unit represented by another employee organization as the representative of the unit to which the employee is assigned, or until employment with the City is terminated.

Additional authorization shall not be required for deduction of increased membership dues when such increase has been duly approved by the Association. Notification of such approval shall be forwarded to the City in the form of written notice on official Association letterhead and signed by the Association President or other duly authorized Association official. Upon receipt of notification, the City shall authorize the payroll deduction of the increased amount.

Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Association as the person authorized to receive such funds, at the address specified.

In addition to the deduction of dues, the City will deduct from the paychecks of Association members who request it, deductions authorized and sponsored by the Association. Such deductions shall be made from either or both of the semi-monthly paychecks and only upon signed authorization from the employee upon a form satisfactory to the City. Such deductions shall be payable to the Association who is responsible for distribution to sponsored programs.

POLICE MANAGEMENT UNIT SUCCESSOR MOU

TERM: JULY 1, 2012-JUNE 30, 2013

The employee's earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in a pay status during that period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other required deductions have priority over the employee organization deduction.

(b) Indemnity and Refund. The Association shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Association dues or premiums for benefits. In addition, the Association shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

2.2 Use of City Facilities

The Association shall be allowed by the City department in which it represents employees' use of space on available bulletin boards for communications having to do with official Association business, such as times and places of meetings, provided such use does not interfere with the needs of the department.

Any representative of the Association shall give notice to the department head or his/her designated representative when contacting department employees on City facilities during the duty period of the employees, provided that solicitation for membership or other internal Association business shall be conducted during the non-duty hours of all employees concerned. Prearrangement for routine contact may be made with the Police Chief and when made shall continue until revoked by the Chief.

City buildings and other facilities may be made available for use by City employees or the Association or their representatives in accordance with such administrative procedures as may be established by the City Manager or department heads concerned.

Members of the Association are prohibited from using City equipment and/or time for their own personal use.

2.3 Advance Notice

In cases of emergency when the foregoing procedure is not practical or in the best public interest, the City may adopt or put into practice immediately such measures as are required. At the earliest practicable date thereafter, the Association shall be provided with the notice described above and be given an opportunity, if requested, to negotiate changes to the content of said notice with the management representatives designated by the City Manager.

2.4 Attendance at Meetings by Employees

Release Time Related to Meet and Confer. City employees who are official representatives of the Association shall be given reasonable time off with pay, in accordance with MMBA, to attend meetings with City Management representatives where matters within the scope of representation or grievances related to this unit are being considered.

The use of release time for this purpose shall be reasonable and shall not interfere with the performance of City services as determined by the City. Such employee representatives shall request an excused absence, prior to the scheduled meeting whenever possible. SECTION 8. GRIEVANCE PROCEDURES

8.1 Definition

A grievance is any dispute which involves the interpretation or application of those rules, regulations and resolutions which have been, or may hereafter be, adopted by the City Council to govern personnel practices and working conditions, including such rules, regulations and resolutions as may be adopted by either the City Council or the Civil Service Commission to affect Memoranda of Understanding which result from the meeting and conferring process.

8.2 Filing Deadline

No grievance involving demotion, suspension, discharge or other employment penalty will be entertained unless it is filed in writing with the Director of Human Resources within ten (10) working days of the time at which the affected employee received written notification of such action. All other grievances must be filed within thirty (30) calendar days from the time the employee knew or had reason to know of the facts giving rise to the grievance.

8.3 Grievance Processing

(a) Step 1 - Departmental Review. Any employee claiming to have a grievance may discuss the complaint with such management official in the department where employed as the department head may designate. If the issue is not resolved within the department within ten (10) working days from the day of presentation or if the employee elects to submit the grievance directly to the Association recognized as the representative of that employee's classification, the procedures hereinafter specified may be invoked.

(b) Step 2 - Director of Human Resources Review. If the employee is not satisfied with the response at level one, then the employee may appeal the grievance to the Director of Human Resources within ten (10) working days of the receipt of written response at level one. Such appeal must state with particularity; 1) the specific policy, rule or provision which is alleged to have been violated; 2) the statement of facts comprising the violation; and 3) the requested remedy. The Association may file and process grievance(s) on behalf of the specifically named employee.

POLICE MANAGEMENT UNIT SUCCESSOR MOU

TERM: JULY 1, 2012-JUNE 30, 2013

The Director of Human Resources shall have twenty (20) working days in which to investigate the issues and respond to the appeal. No grievance, except for the resolution of compensation complaints, may be processed under the following two (2) paragraphs which has not first been filed and investigated in accordance with this paragraph unless the Director of Human Resources fails to respond within the time limit.

(c) Step 3 - City Manager Review. Within ten (10) calendar days of the receipt of the level two (2) response, the grievance may be appealed to the City Manager or his designee. Such referral shall be in writing, detailing the specific issues involved in the referral together with a statement of the resolution desired. The City Manager shall designate a personal representative who shall not be the Director of Human Resources to investigate the merits of the complaint, to meet with the complainant and, if the complainant is not the Association, to meet also with the officials of the Association, and to settle the grievance or to make recommendations to the City Manager. A written response to the appeal will be provided within thirty (30) calendar days of the date of appeal.

(d) Step 4 - Arbitration. If the grievant or the Association is dissatisfied with the response at Step 3, or if the City Manager fails to respond within the time limit, the matter may, within ten (10) working days, be referred to an arbitrator mutually selected by the parties, or if the parties are unable to mutually agree, from a list of seven (7) arbitrators provided by the State Conciliation Service. The arbitrator shall be chosen by the alternative strike method, with first choice being determined by lot. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by the Association and the City. Each party, however, shall bear the cost of its own presentation, including preparation and post hearing briefs, if any.

(e) Effect of Decision. Decisions of arbitrators on matters properly before them shall be final and binding on the parties hereto except as provided otherwise herein.

8.4 Scope of Arbitration

No arbitrator shall entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Association and unless such dispute falls within the definition of a grievance as set forth in section 8.1.

Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary hereto shall not be arbitrable and no proposal to modify, amend or terminate this Memorandum of Understanding, nor any matter or subject arising out of or in connection with such proposal, may be

referred to arbitration under this Section. No arbitrator selected pursuant to this section shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

No change in this Memorandum of Understanding or interpretations thereof (except interpretations resulting from arbitration proceedings hereunder) will be recognized unless agreed to by the City Manager and the Association.

8.5 Other Provisions

If the Director of Human Resources in pursuance of the procedures outlined above, or the City Manager in pursuance of the provisions outlined above resolve a grievance which involves suspension or discharge, they may agree to payment for lost time or to reinstatement with or without payment for lost time, but in the event the dispute is referred to arbitration and the arbitrator finds that the City had cause to take the action complained of, the arbitrator may not substitute his judgment for the judgment of Management and if he finds that the City had such right, he may not order reinstatement and may not assess any penalty upon the City.

All complaints involving or concerning the payment of compensation shall be initially filed in writing with the City Manager. Only complaints, which allege the employee is not being compensated in accordance with the provisions of this Memorandum of Understanding, shall be considered as grievances. Any other matters of compensation are to be resolved in the meeting and conferring process and if not detailed in the Memorandum of Understanding which results from such meeting and conferring process shall be deemed withdrawn until the meeting and conferring process is next open for such decision. No adjustment shall be retroactive for more than thirty (30) days from the date upon which the complaint was filed.

The provisions of this Section shall not abridge any right to which an employee may be administered in a manner that would abrogate any power which, under the City Charter, may be within the sole province and discretion of the Civil Service Commission.

All grievances of employees in the representation unit represented by the Association shall be processed under this Section. If the City Charter requires that differing options be available to the employee, no action under paragraph (d) of subsection 8.3 above shall be taken unless it is determined that the employee is not availing himself/herself of such option.

No action under paragraph (d) of subsection 8.3 above shall be taken if action on

If the IRS issues a private letter ruling allowing the employee's contribution towards employer pension cost on a pre-tax basis, the City will change the deduction from post-tax to pre-tax as soon as administratively possible after the IRS final determination. If PERS determines that the maximum contribution through PERS Section 20516 amendment is less than the 9% and/or some or all of the contributions sunset at a specific time in the future, the parties agree that the City shall deduct the percentage up to 9% not covered by the PERS amendment process through a payroll deduction. Additionally, in the event the City reaches agreement with the SPOA for SPOA members to pay 9% of the employer's contribution through a PERS section 20516 contract amendment, the parties agree that SPMA would be subject to that amendment as well, consistent with PERS requirements.

4. The plan would be fully insured, such that all risks would be borne by the insuring company without the possibility of underfunding the benefit
5. The Unions will not propose CalPERS medical plans.
6. Implementation shall be by January 1, 2013, provided the Unions provide at least 90 days notice to the City (i.e. not later than October 1, 2012).

The City shall make all reasonable efforts to insure that all claims received are processed timely during the claims run out period. If any funds remain in the ISF fund, the parties will meet to discuss the status of the funds.
8. It is understood that the union plans would stay in effect for at least five years, and the Unions will give the City at least 1 year's notice if they intend to terminate this arrangement. The City may only terminate the agreement with good cause regarding the failure of the plan to provide agreed upon benefits, and with evidence of continuing coverage for affected employees and retirees in the succeeding City sponsored plans. The City makes no commitment to any future arrangement of City administered medical insurance should the union plans be discontinued by the union's actions.
9. The City retains the right to terminate the sponsorship by the unions of any health plan as a result of any legislation that would require the City to provide plans to its employees or pay penalties in lieu of providing such plans, for example, as under the Affordable Care Act or any additional or successor legislation
